

BROKERAGE & TRADE COMPLIANCE

More Than Just Customs Clearances

Juno Customs Solutions offers our in-depth knowledge and experience while providing you with visibility and access to your entire Customs universe via our advanced brokerage platform Entry Insight.

CUSTOMS BROKERAGE

Juno is CTPAT Certified and is an active member of the National Customs Brokers & Forwarders Association of America, Inc.

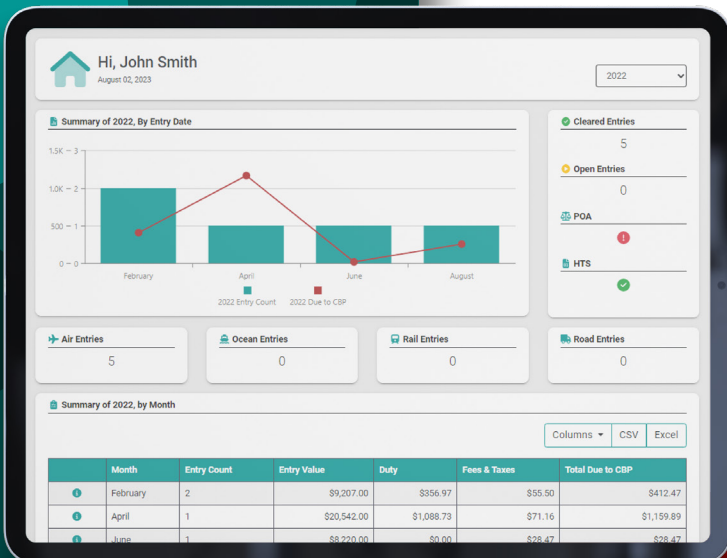

Our brokerage experts hold Customs Broker licenses and Certified Customs Specialists certificates, offering a complete portfolio of brokerage services to our clients including:

- Surety Bonds
- Customs Entry Preparation
- Post Entry/PSC Processing
- Importer Security Filings
- HTS Classification

CUSTOMS & TRADE COMPLIANCE

We collaborate with our clients to review and maintain their compliance processes, examine product classifications, provide a comprehensive risk assessment, evaluation report and recommendations based in risk exposure.

- Prior Disclosures
- AD/CVD Consulting
- Binding Rulings
- FTA & PGA Qualification
- Audit & Duty Recovery

RESPONSIVE TECHNOLOGY

- Manages Customs data and related documentation for recordkeeping compliance
- HTS Product Database
- Data Analytics to the Product Level
- Landed Cost Analysis
- Customizable Reports
- Automates and streamlines internal Customs compliance audit processes
